With so many choices, it can be difficult to make a suitable choice, especially if you're not quite sure what clay or pottery is about. Hopefully this will help with your choice.

Not exactly sure which activity to choose?

Couples Wheel Taster

1-Hour | £90 per couple 

A fun, practical choice to create functional items that commemorate any occasion.

Many prefer this option as both persons get to work on their own wheel, making items side one another. Some couples get really competitive and/or playful, making this activity a total blast! A definite must.

Romancing the Clay

1-Hour | £90 per couple 

Create your own 'Ghost' movie pottery re-enactment scene. A good choice to enjoy a fun activity together.

Couples spend 1-hour throwing pots on one wheel together: one in front, one at the back – just like in the movie. And to finish, couples get to carve their names on pots made together.

Couples Date Night

1½ Hours | £80 per couple 

A more 'chilled out' activity, especially for creative types who partake in crafts.

Spend 1½ hours making a small mug or bowl using various hand-building techniques (no wheel).

Quite different to throwing on the wheel; this activity is slow, relaxing and very therapeutic.
